

Dorothy Waters Scholarship Application

About:

Dorothy was quite active in the Women's Fall Cities Golf Association for more than 60 years and founded the Louisville District Women's Golf Association in 1952. Dorothy was secretary of the Women's Kentucky State Golf Association for 30 years and was instrumental in starting the Women's Kentucky Senior Amateur in 1980. In dedication to her inspiration and lifetime commitment to the game of golf, the Women's Kentucky State Golf Association established the Dorothy Waters Scholarship fund for girls under the age of 18 as a way to provide financial assistance for tournament expenses. It is the hope that this award will provide an incentive for junior girl golfers to make golf, and tournament golf in particular, their game for a lifetime.

Each year, a committee from the Women's Advisory Committee review all applications received and they will then select three recipients to award scholarships to in the amount of \$1,000, \$750 and \$500 respectively. The award can only be used towards actual expenses incurred for golf tournaments, which can include entry fees, travel expenses, lodging expenses and food expenses.
